Partners:

Public Mental Health Survey

The EPA has been involved in the dissemination of an international survey to explore public mental health understanding, practice, training, barriers and opportunities by different sectors. The survey is also being disseminated by World Psychiatric Association, World Organisation of Family Doctors (WONCA), World Federation of Public Health Associations (WFPHA), International Federation of Medical Students Association (IFMSA) and GAMIAN-Europe.

We would be grateful if you could please take part in this study and respond:
